Services, We Offer

A Sole Proprietorship (Individual) firm from Jagdish(Bhiwadi,Rajasthan, India), we have been widely acknowledged for our rental services for different types of transportation mediums. As per this service, we offer our clients from different industry sectors Trailers, 10 Wheeler Trucks and 6 Wheeler Trucks, closed body containers and even Small ones (Canter & Tata-407). Accompanied with skilled drivers and technicians, these trucks and trailers are known for smooth transportation. Some of the salient features of our rental services include the following:

- Customer centric
 - Timeliness
 - Reliable
 - Hassle free
- Domain Expertise

All Over India Having been in the industry for more than a decade and half, we have been able to gauge the variegated demands of clients from different industries. Our domain meeting the exact demands of clients has been possible due to the proper assistance of our skilled professionals. They enable us in offering rental services for trucks, trailers and other transportation medium. These transportation mediums are kept in optimum functioning standards before being offered to clients. Moreover, these trucks and trailers are provided with skilled drivers and technicians so as to ensure smooth transportation.

Our Professionals

Widely preferred in the domestic market for our transportation services on rental basis, we have created an unique niche in the domain. This has been possible due to the commitment and dedication of our experienced professionals. Our marketing experts are well aware of the changing market trends and they gauge the varied requirements of clients. They help us in finding new application areas wherein we can offer our transportation facilities on rental basis. Further, we also have client servicing executives and other management personnel to take care of all the business endeavors.

Facility Available

As we are operated on a pan India basis, we have developed branches all over the country. This helps us in meeting the exact demands of clients in a timely manner. Keeping in mind the transportation requirements of varied industry sectors, we are equipped with all types of trucks and trailers for heavy-duty applications. Proper documentation is carried out by our skilled professionals so as to assure reliable and transparent solutions. The rent for all these transportation mediums is also at par with the industry standards.

Client Satisfactions

As a reliable and leading service provider, we ensure that our services are designed and executed to meet the variegated demands of clients. Throughout the business endeavor, we maintain transparency and follow ethical practices so as to maximize the satisfaction level of our clients. As a result of our effective and client oriented transportation services, we have been able to meet the growing demands of clients based across the country in all major cities. Regular communication with them also enables us in offering requisite transportation medium for meeting their application demands.

Why us

Our transportation solution is widely availed by clients from different industry segments due to the reliability and effectiveness. Some other factors for which we have been widely preferred over our competitors are mentioned below:

- Timeliness in the services
- Best Services
- Capable of offering various types of transport mediums
- Cost effective solution
- Client centric
